## Larger Types of American Geography: Second Series of Type Studies (Classic Reprint)

By Charles A McMurry

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Larger Types of American Geography: Second Series of Type Studies This is the third volume in a series of type studies of our own country. The six large units worked out with some fulness of detail in the present volume furnish the broad and comprehensive framework within which to arrange and combine the lesser topics previously studied. It is presupposed that a full and rich presentation of -many smaller topics of American Geography has been provided in earlier grades as illustrated in the Type Studies of the United States (first series). It is the purpose of the present book to organize these earlier studies into more comprehensive units and at the same time to bring into clear view the few commanding types which give a good survey of American Geography as a whole. It may appear to many teachers that the treatment of single topics is far too elaborate. A moment's indulgence may be granted to the explanation of this point. The secret of success in geographical study is found, we believe, first, in...
