When Samuel Farmer answered Abraham Lincoln's call for volunteers to fight the Southern Rebellion, he promised his family that he would return home in a few months. Farmer, like most soldiers on both sides of the conflict, thought that the war would be over in ninety days. After battles in places named Fort Donelson and Shiloh, it soon becomes clear that the bloodshed wasn't going to end anytime soon. As the months turned to years, Copperheads and Confederate guerillas bring a war of terror to the Wabash Valley. Friends and neighbors suddenly find themselves on opposite sides of the conflict. The Farmer family along with the residents of South Union struggle to survive against the deadly attacks by Southern Sympathizers while their husbands, fathers and sons fight for the Union Army in the heart of Dixie. At ten years of age, Will Farmer finds himself caught up in a local war where the enemy doesn't differentiate between men and boys. He is forced to become a man in a world that still views him as a child. Far from the glory of the battlefield and based on actual events, South Union is a story about the forgotten war waged by the families left behind. It is a portrait of courage, heartbreak faith in the darkest of times. This item ships from La Vergne, TN. Paperback.
