

The Wisdom of Bees: What the Hive Can Teach Business About Leadership, Efficiency, and Growth

Filesize: 1.96 MB

Reviews

An exceptional ebook and also the typeface applied was intriguing to read through. I have got read and i also am sure that i am going to likely to go through yet again once more in the foreseeable future. I discovered this pdf from my dad and i advised this ebook to find out.

Penguin Books Ltd, United Kingdom, 2010. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book. It seemed to me that the bees were working on the very same kinds of problems we are trying to solve. How can large, diverse groups work together harmoniously and productively? Perhaps we could take what the bees do so well and apply it to our institutions . When Michael O Malley first took up beekeeping he thought it would be a nice hobby to share with his son. But he noticed that bees not only work together to achieve a common goal but, in the process, create a remarkably productive organization, like a miniature but incredibly successful business. O Malley also realized that bees can teach managers a lot, identifying 25 powerful insights such as: Distribute authority - the queen bee delegates relentlessly and worker bees make daily decisions; Keep it simple - bees exchange only relevant information; and, Protect the future - when a lucrative vein of nectar is discovered, the entire colony doesn't rush off to mine it. Blending practical advice with interesting facts about the hive, The Wisdom of Bees is a useful and entertaining guide for any manager looking to get the most out of his or her organization.
