Taylor Francis Ltd, United Kingdom, 2007. Paperback. Book Condition: New. 230 x 156 mm. Language: English . Brand New Book ***** Print on Demand *****.Everyone working in health and social care is at one point or another confronted by violent behaviour and its consequences. Addressing Violence, Abuse and Oppression provides a broad overview of violence in relation to a range of groups and areas that involve human service professionals. Adopting an international perspective, this book looks at the ways in which violence, abuse and oppression can be clearly associated with power imbalances which are often gendered and which are covertly or overtly manifested at a range of levels including the interpersonal as well as the organizational and the political. It explores debates and challenges with regard to theoretical orientations, policy frameworks and how power imbalances intersect with a range of influencing factors including gender, poverty, indigenous/ethnic issues, class and sexuality. Examining the implications for human service professionals, each chapter of Addressing Violence, Abuse and Oppression provides an historical overview, explores theoretical perspectives, examines specific policy and practice context, appraises the contribution from research and assesses the impact for individuals and groups.
