

Telling Tales: The Impact of Germany on English Children's Books 1780-1918

Filesize: 5.91 MB

Reviews

This ebook is worth acquiring. Better then never, though i am quite late in start reading this one. You will not truly feel monotony at at any time of your own time (that's what catalogues are for about if you ask me).

Open Book Publishers, United Kingdom, 2009. Paperback. Book Condition: New. 232 x 156 mm. Language: English Brand New Book ***** Print on Demand *****.Germany has had a profound influence on English stories for children. The Brothers Grimm, The Swiss Family Robinson and Johanna Spyri's Heidi quickly became classics but, as David Blamires clearly articulates in this volume, many other works have been fundamental in the development of English children's stories during the 19th Century and beyond. Telling Tales is the first comprehensive study of the impact of Germany on English children's books, covering the period from 1780 to the First World War. Beginning with The Adventures of Baron Munchausen, moving through the classics and including many other collections of fairytales and legends (Musaues, Wilhelm Hauff, Bechstein, Brentano) Telling Tales covers a wealth of translated and adapted material in a large variety of forms, and pays detailed attention to the problems of translation and adaptation of texts for children. In addition, Telling Tales considers educational works (Campe and Salzmann), moral and religious tales (Carove, Schmid and Barth), historical tales, adventure stories and picture books (including Wilhelm Busch's Max and Moritz) together with an analysis of what British children learnt through textbooks about Germany as a country and its variegated history, particularly in times of war.
