Southwest Jiaotong University Engineering Textbook Series 323 Laboratory: natural medicine. chemistry experiments [Paperback]

By TAN RUI

paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Paperback Pages Number: 150 Language: Simplified Chinese Publisher: Southwest Jiaotong University Press; 1st edition (July 1. 2011). Contents: The first part of the experimental basis of knowledge of Introduction of natural medicine chemical composition of extraction techniques Section 1 Section II of the separation of the natural product of natural product extraction technology. Chapter II. Section III flash purification technology type extraction and flash technology chromatographic separation of section IV of Section III of the technical section I. section II of the thin-layer chromatography. column chromatography and paper chromatography and ion exchange section VII of Chromatography Section V. high performance liquid chromatography VI gas chromatography mass spectrometry Chapter III of Section I of the basic detection technology to identify the test section II melting point determination section III of moisture determination in section IV - Determination of ash section VI. section V of the volatile oil determination heavy metal determination in section VII of pesticide residue determination of the second part of the fourth chapter of the experiment Selected basic experimental test with a thin layer plate preparation. activity...

Reviews

This pdf is wonderful. It is definitely simplified but excitement from the 50 percent in the ebook. You wont sense monotony at at any time of your time (that's what catalogues are for relating to should you request me).
