This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

There comes a time in a woman s life when she must do the unthinkable - and find employment. For the widowed Anna Wren, that means taking a job as female secretary for the Earl of Swartingham. Secretaries are always male - never female - as Anna well knows but the real downfall of her career is the realisation that she is falling in love with Edward de Raaf - the Earl. But when she realises that he is going to visit a brothel in London to take care of his manly desires, Anna sees red - and decides to take advantage of the opportunity to also take care of her womanly desires - with the Earl as her unknowing lover. But the Earl has another reason for going to London. He is formalising his betrothal and trying (with little success) to forget about a secretary that has no right being female. Unhandsome, he knows that no woman wants him. Except for the mysterious lady with whom he spent two unforgettable nights at Aphrodite s Grotto, the most scandalous brothel in London. But when Anna s plan is revealed, a bit of blackmail is thrown into the mix, a proposal is rejected and even the Earl himself will be unprepared for the intrigues that ensnare them.
