

A Short History of England (Hardback)

Filesize: 6.27 MB

Reviews

This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.

(Mr. Grant Stanton PhD)

AEGYPAN, United States, 2008. Hardback. Book Condition: New. 231 x 155 mm. Language: English . Brand New Book ***** Print on Demand *****.G.K. Chesterton was one of the towering figures of British literature in the early twentieth century. A man of massive size, massive personality, and massive appetite, Chesterton's famous personality, dress, and personality gave rise to an eponymous adjective: Chestertonian. Although he is renowned for the Father Brown detective series, Chesterton also wrote volumes of nonfiction. First published in 1917, A Short History of England is exactly that, serving Chesterton's goal of publishing a popular book of history written from the standpoint of a member of the public. Filled with Chestertonian wit, the fast-moving history includes such gemlike observations as, Henry VIII was almost as unlucky in his wives as they were in their husband. Of the great late Victorian/Edwardian trio of wits: George Bernard Shaw, Oscar Wilde, and Chesterton himself, it is Chesterton whose body of work -- writing in an unassuming manner, without great pretension -- may well persist for future generations far longer than its charming, genial author ever imagined.
