Her history with men was nothing to write home about. Drew Winters is a firefighter, who has spent his entire life in Wilmington, NC. After several failed relationships, he's sworn off women altogether. When Isabel meets Drew, something's going to give. Can Drew convince Isabel he is not like the other men she has dated? Can Isabel prove to Drew that she's not self-absorbed like all his past relationships? Will they be able to get beyond their chemistry for each other, and finally use the L word? There are recipes made by Isabel included in the back of the book. **This book can stand alone from the series**.

This pdf is wonderful. It is definitely simplified but excitement from the 50 percent in the ebook. You won't sense monotony at any time of your time (that's what catalogues are for relating to should you request me).
