Haywards Reach is a series of short stories told by the last survivor after an unexpected cataclysm destroys the birthplace of Pan-Humanity and its attendant species. Glendale Mokoto, now as a Scout of the Corvan Empire which rescued the remnants of Pan-humanity, has time on his hands and uses it to study temporal records in which the entire history of Old Earth is embedded. Looking though time and space he reminisces about an Earth that no longer exists. In these tales, Mokoto studies both the past and the future of Pan-Humanity, its allies and enemies, and learns even in his current state of in-humanity what it really means to be truly human. Haywards Reach is divided into four sections: The Fables of Old Earth: Stories about humans as we might remember them still struggle for survival against a world which only seems to be under their control; instead a hidden reality is just beyond the sight of these early humans, a reality which affects the ultimate destiny of the species. A Time of Troubles: The quest for wealth and power affects the choices of both man and god alike. Dark pacts are often made in order to satisfy avarice and the innocent are its first victims. Entering the Penumbra: Tales of the darkest nature; a descent into depravity, deprivation and destruction. Each tale reinforcing the horror of the last. But even in this time, a single hope always flickers, a voice brave enough to claim victory, at least some of the time. . . The Diaspora of Earth: the final tales of the Human species after the destruction of Earth. Six adventures of Pan-Humanity's struggles in a hostile universe, more alien than they imagined...
