Find out this also for teachers during the past five years and compare. Summer work for teachers is very important as it shows whether or not they are anxious to keep out of an educational rut and to advance themselves professionally all the time. One Wisconsin city asks in its contract of those teachers who have been out in work five years that they take some summer professional work at college or normal school. This city has a remarkable record as to the length of time during which teachers fill local positions. What can the club do to make possible attendance at summer schools, short courses, institutes, etc. , on the part of teachers 6. Salaries of Teachers Classify the salaries paid to local teachers in groups by intervals of 5. 00, --less than 40, 40 to 44, 45 to 49, etc. Put the salary on a twelve month basis--divide the yearly salary by twelve. Now make a comparative list of other salaried officials in the town whose training and qualifications are about as high as those of the teaching force. How do these compare Find...
