HAY HOUSE, United States, 2016. Hardback. Book Condition: New. 231 x 180 mm. Language: English . Brand New Book. Like most people in our society, you might see the years from the age 30 onward as a slow, painful decline marked by the following outcomes: weight gain, fatigue, mysterious aches and pains, illnesses, memory issues, low libido, and sadness and anxiety. In his latest book, Dr. Lipman breaks through the common myths and misconceptions surrounding aging and dieting, and he zeroes in on what you need to do in order to feel your very best. His two-week Revitalize Program brings together key information regarding insulin resistance and carbohydrate intolerance, gut and hormonal imbalances, sleep disorders, medications and supplements, and community support. The Revitalize Program features delicious recipes, handy shopping lists...
