Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Brand New Book ***** Print on Demand *****.The essence of this book is to portray a chronological outline of the history of the Upsilon Delta Omega Chapter of Alpha Kappa Alpha Sorority, Inc. The story starts with the interest group that had desires to start an organization in the south Jersey area that would follow the guidelines of Alpha Kappa Alpha regarding community service. This book will give the reader an overview of the process that it took this particular group of like-minded women to initiate, follow up and execute their plan. Once the chapter became official, the book highlights the various administrations that were elected to guide the members through a series of programs that varied every four years. The programs have been focused on family, education, economic security, social justice and global hunger. The reader will have a better understanding of how the Upsilon Delta Omega Chapter has a mission to have a positive impact on the surrounding communities by offering countless free workshops, hosting picnics and seminars for family shelters and providing scholarships to deserving students that are attending college. These events are vividly captured with photos and highlighted with media articles.
