Random House USA Inc, United States, 2000. Paperback. Book Condition: New. New edition. 231 x 155 mm. Language: English . Brand New Book. Qigong, which literally means working with the energy of life, is an integrated mind-body healing method that has been practiced with remarkable results in China for thousands of years. The Chinese have long treasured qigong for its effectiveness both in healing and in preventing disease, and more recently they have used it in conjunction with modern medicine to cure cancer, immune system disorders, and other life-threatening conditions. Now in this fascinating, comprehensive volume, renowned qigong master and China scholar Kenneth S. Cohen brings the ancient healing power of qigong to Western readers. The essence of qigong can be understood by comparing the body to a battery: stress and bad health habits act to dissipate the battery's charge, its qi, while self-care and self-awareness help to maintain and improve qi. Qigong is a gentle yet rigorous program for working with our life energy through breathing and relaxation exercises, massage, visualization, meditation, and other natural methods. Using qigong, each one of us can learn to improve health and enhance vitality by cleansing, gathering, releasing, and circulating qi so that it reaches all the body's cells. It's rather like acupuncture without needles--it's pleasurable to do, it costs nothing, and it's wonderfully life-enhancing. This accessible, beautifully written book provides a step-by-step program detailing how we can all integrate qigong into our busy lives. Ken Cohen explores every aspect of this Chinese healing art and science. The benefits of qigong are obvious in those who practice it correctly--these exuberant individuals sleep more soundly, their skin glows with vitality, they feel increased strength and heightened sexuality, and their minds and bodies achieve the harmony of true health. These benefits have been...
