Brand New Book ***** Print on Demand *****.When we are faced with a guarantee, the one thing in life that is a true rarity, how many of us would really take it when the temptation of the unknown pulls at our heart to see, to satisfy more than just curiosity but the lust and addiction of what we believe at that moment to be what we really want? Imagine standing at a fork in the road, on one side you are faced with safety and security, the other contains the unknown, and yet, it demands your attention, peaks your interest, and ultimately tempts your curiosity. which road would you choose? More importantly, when you reached the end, if you had a chance to go back to the decision you made, knowing now where the outcome would take you, would you take the detour or chose the straight path to get you to your final destination? I think it s safe to say the general response would be It depends a great deal on the final destination. But whether good or bad, I ask you to consider this, are the choices we face really ever more than two options that will eventually lead us exactly where we are meant to be, and who we are meant to be with; the only true factors are the length of time it takes for us to arrive and the person we become along the way. Dark Hearts Arise, the first of the A. Heart s Destiny series, challenges you to question whether we control where our path goes, or is it all been predestined? Through a series of events, you will be transported into the once perfect world of Avery...
