

Submissive: Candid Interviews with 20 Lifestyle Submissives

Filesize: 8.12 MB

Reviews

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.

(Rene Olson)

SUBMISSIVE: CANDID INTERVIEWS WITH 20 LIFESTYLE SUBMISSIVES

Createspace, United States, 2012. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****. Submissive Vol 1 , explores the largely hidden world of the submissive and masochistic female. The 20 selected interviews here were conducted over a 10-year period, by the BDSM magazine publisher and writer, Roy Turner and offer a full, frank and totally unique insight into the real world of the lifestyle submissive. It certainly isn't some E L James Fifty Shades of Grey or Nancy Friday My Secret Garden , etc fantasy-fest, what it does show is that those stereotypes-if they exist at all, are just not at all representative of the experiences related here. Like her male counterpart, the submissive female comes in all types; she can quite often be a highly successful career woman in real life that simply craves the occasional release from responsibility that comes through role-play, or a woman who throws herself headlong into the lifestyle 100 . There was also a tendency to separate Husbands/Lovers from Masters and carry on a double-life either with or without their partner's knowledge or consent. But there is also a much darker side too that is not found so much in the male submissive; a truly dangerous area that some women willingly step into. These women certainly walk the talk ; whether it is extreme role-play, slave training, pony-girl, enforced servitude and prostitution, abduction or even kidnapping. Consequently, some of the experiences related here could be considered extremely shocking and genuinely disturbing. It's definitely not one for the faint-hearted! For many interviewees, the need for domination had its roots, not surprisingly, in childhood. An authoritarian, even brutal, father-who went way beyond the occasional spanking, etc, started a trend, which they sought to...
