How would you like the ability to literally be any person you want to be? Any character at all! How about the ability to elicit laughter and good feelings at will from any target? Just look at Conan O'Brien and other professional comedians, and compare their ability to generate high levels of buying temperature as opposed to the best PUAs- including Mystery! Videos of this exist in Youtube, and they're just not in the same league! How about PUAs acting like the prize, their Pimp, Alpha whatever as opposed to real-life dweebs who play these convincing characters on the big screen? Again the comparison is unfair, and these professionally trained Actors and Comedians are just light years beyond any PUA! The purpose of this book then is to introduce to you what should be standard training in the pickup arts that sadly only a very tiny percentage of the community are trained in and see the game this way! One way to professionalize and improve your game and performance is to actually embrace and treat the pickup arts as partly a performance art medium. This item ships from La Vergne, TN. Paperback.
