Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The first questions most people ask when starting a new job are When do I get paid? and How much? They're questions conditioned in us from the time we are kids doing our first odd jobs. And, we ask every single time we start new employment. Yet many of us forget about these questions when we begin working in a multilevel / network marketing / home-based business. Then we find our heads spinning, wondering how everything fits together. How does this happen? Well, most of the time- in Young Living- it's the women who jump into the business first. In other words, guys rarely look at the compensation plan because it's not their thing. In this Field Guide we'll walk through it. You'll learn. \* How much work this will really take \* How to jump-start a business that is new or has stalled for a bit \* Steps to take to become financially free- or reach any other financial milestone between where you are and where you want to be \* The power of residual income streams \* Little-known programs Young Living has created that accelerate your success \* How to understand terms like Unilevel, Shares, Generations, as well as the eight...
