

The image shows a thumbnail of the Pediatric Advanced Life Support (Pals) Pocket Reference Card. It is a color-coded table with columns for different age groups: Neonate, Infant, Toddler, Preschool, School Age, Adolescent, and Adult. The rows include vital signs (Heart Rate, Respiratory Rate, Blood Pressure, etc.) and drug dosages for various medications (e.g., Atropine, Epinephrine, Amiodarone). The table is organized into sections for different clinical scenarios like Cardiac Arrest, Breathing Problems, etc.

Reviews

Complete guideline! Its this type of great read through. it absolutely was writtern quite perfectly and helpful. I am very happy to explain how this is basically the best book i actually have read through during my personal life and can be he very best book for at any time.

-- **Joshua Gerhold PhD**

A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.
