Gentlemen: I enclose herewith the report of the editor of the Historical Collections of the Illinois State Historical Library. You will notice that the biennium reported upon does not coincide with the biennium of the appropriation, the latter being from July 1, 1915, to July 1, 1917, while the budget for the ensuing year is for two years after July 1, 1917. I should be glad if the trustees would inform me if there is money in the present appropriation of 1915-1917 to pay for the third volume of the British series. If so, the third volume could be sent to press very soon. In which case my recommendation for the following biennium should read volumes V and VI of the British Illinois series. You will notice by the budget for 1917-1919 that there is a call for an increase of two salaries, the creation of one new position and the revival of the office of stenographer. Very truly, (Signed) C. W. Alvoed. REPORT OF THE EDITOR. Urbana, Ill., September 30, 1916. To the Trustees of the Illinois State Historical Library. Gentlemen: I beg leave to present the following report of the editor of the Library Publications for the biennial period beginning October 1, 1914. PUBLICATION. Since the preparation of the last biennial report, the Board of Trustees has continued the publication of the series known as the Collections of the Illinois State Historical Library, and has published the following volumes: The Critical...
