Reviews

Excellent electronic book and helpful one. It usually does not cost a lot of. I am quickly will get a pleasure of reading through a written publication.

(Bernardo Feeney Jr.)

BALANCING THE DEVELOPMENT AGENDA-THE TRANSFORMATION OF THE WORLD BANK UNDER JAMES D. WOLFENSOHN: 2005

World Bank Publications. Paperback. Book Condition: new. BRAND NEW, Balancing the Development Agenda-the Transformation of the World Bank Under James D. Wolfensohn: 2005, James D. Wolfensohn, This volume takes an in-depth look at how the World Bank and its mission have evolved and expanded since James D. Wolfensohn took over as president in 1995. The book begins by showing how Wolfensohn broadened the development agenda to incorporate the private sector, the Millennium Development Goals, reconstruction of post-conflict countries, country-owned development strategies, and the promotion of good governance. It then examines the Bank's strategy of forging and harnessing strategic partnerships with other nations on such critical issues as aid effectiveness and debt relief. An examination of the Bank's institutional renewal and internal reform, with a new focus on generating results and modernizing the Bank's information and communications technologies, follows. The book concludes by taking stock of the last ten years of expansion and change under Wolfensohn and looks at new challenges the Bank will face in the 21st century.
