

Home Insulation Manual: How to Cut Energy Bills and Make Your Home Warm and Comfortable

By Ian Rock

Haynes Publishing Group. Hardback. Book Condition: new. BRAND NEW, Home Insulation Manual: How to Cut Energy Bills and Make Your Home Warm and Comfortable, Ian Rock, Rocketing energy prices look set to be a fact of life for the foreseeable future. Fortunately there's a solution. By fully insulating your home you can make big savings - whilst benefiting from more warmth and comfort. Fixing the leaks that waste valuable heat will transform the energy performance of your home, saving money and boosting its saleability and EPC rating. But there's a right way and a wrong way to insulate. The Haynes Home Insulation Manual explains the correct way to upgrade every part of your property. Packed with detailed step-by-step photo features, it covers everything from simple measures that anyone can tackle through to major refurbishment works. Each project comes with a useful 'hammer rating' showing the required skill levels - plus a guide to how quickly costs will be paid back from savings in bills. The Home Insulation Manual shows how to upgrade all types of walls, roofs, floors, windows and doors. So now there's nothing to stop you slashing your energy bills!.
