## THE SMOKE OF SATAN IN THE TEMPLE OF GOD (HARDBACK)

Xulon Press, United States, 2013. Hardback. Book Condition: New. 231 x 155 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Taking as his point of departure Pope Paul VI's observation that seven years following the close of the Second Vatican Council conditions in the Church were such that it was as if the Smoke of Satan has entered the Temple of God, the author recounts how it was that the misimplementation of the council's documents resulted in the emergence of what Henri De Lubac termed a different Church from that of Jesus Christ, all under the guise of updating (aggiornamento) and renewal. Pope Paul was of the mind that by 1972 the greatest need in the Church was to be defended against the adversary power of darkness, the Devil. For the Pope the unmistakable signs of the Evil One's penetration of the Church were a vast undermining of Catholic moral teaching (particularly sexual morality), the ideological seduction of fashionable theological errors (particularly neomodernism) which spawned doctrinal uncertainty, a radical denial of God, and the watering down of and even rejection of the spirit of the Gospel. Timothy Wallace holds an M.A. in History and currently serves as chair of the Social Studies Department at a suburban Catholic High School in the Archdiocese of Detroit, where he has taught American history and government since 1980. He is also a certified catechist in the Archdiocese, and has taught high school religion in 3 area high schools from 1978-2000. Wallace has participated in numerous St. John Bosco Catechetical Institute and Defending the Faith Conferences at Franciscan University. He has also been the recipient of the University of Detroit Mercy Outstanding High School Teacher Award (1998), and the University of Chicago Outstanding High School Teacher Award (2000), and...
